Spring Hill Elementary School  
Maury County Schools

Spring Hill Elementary School students earn Raider Bucks for following school-wide expectations. These bucks can be spent at the Raider Bucks Store to purchase an assortment of rewards. Something new that has really taken off at Spring Hill is the opportunity to purchase special privileges in class. Teachers choose which privilege they would like to offer in the store. This has been a unique (and free!) way to expand the opportunities available to students to celebrate their positive behavior.
